

DONATION DRIVE

Grocery Gift Cards

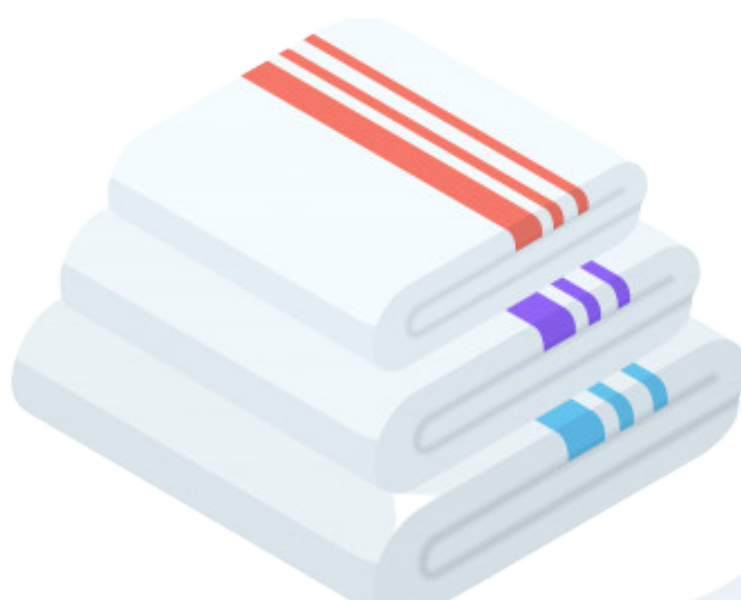

Collect grocery gift cards to distribute to at-risk youth and trafficking survivors so they have access to food and other basic necessities.

Hygiene Products

Collect hygiene products for trafficked youth and survivors of trafficking that they typically don't have access to so they are able to properly care for themselves.

Hygiene items needed include deodorant, soap, toothbrushes, hand sanitizer, hair brush, etc.

Linens

Provide warmth and comfort to our vulnerable youth by collecting and donating bed linens, blankets and towels.
